

Hand-y Craft: Angels

Materials Needed:

- White card stock
- 3 inches of gold pipe cleaner
- Scissors
- Pencil
- 2 small craft googly eyes
- Craft glue or rubber cement
- 1 ½ inch white pom-pom
- Black marker (optional)
- ½ inch red pipe cleaner (optional)

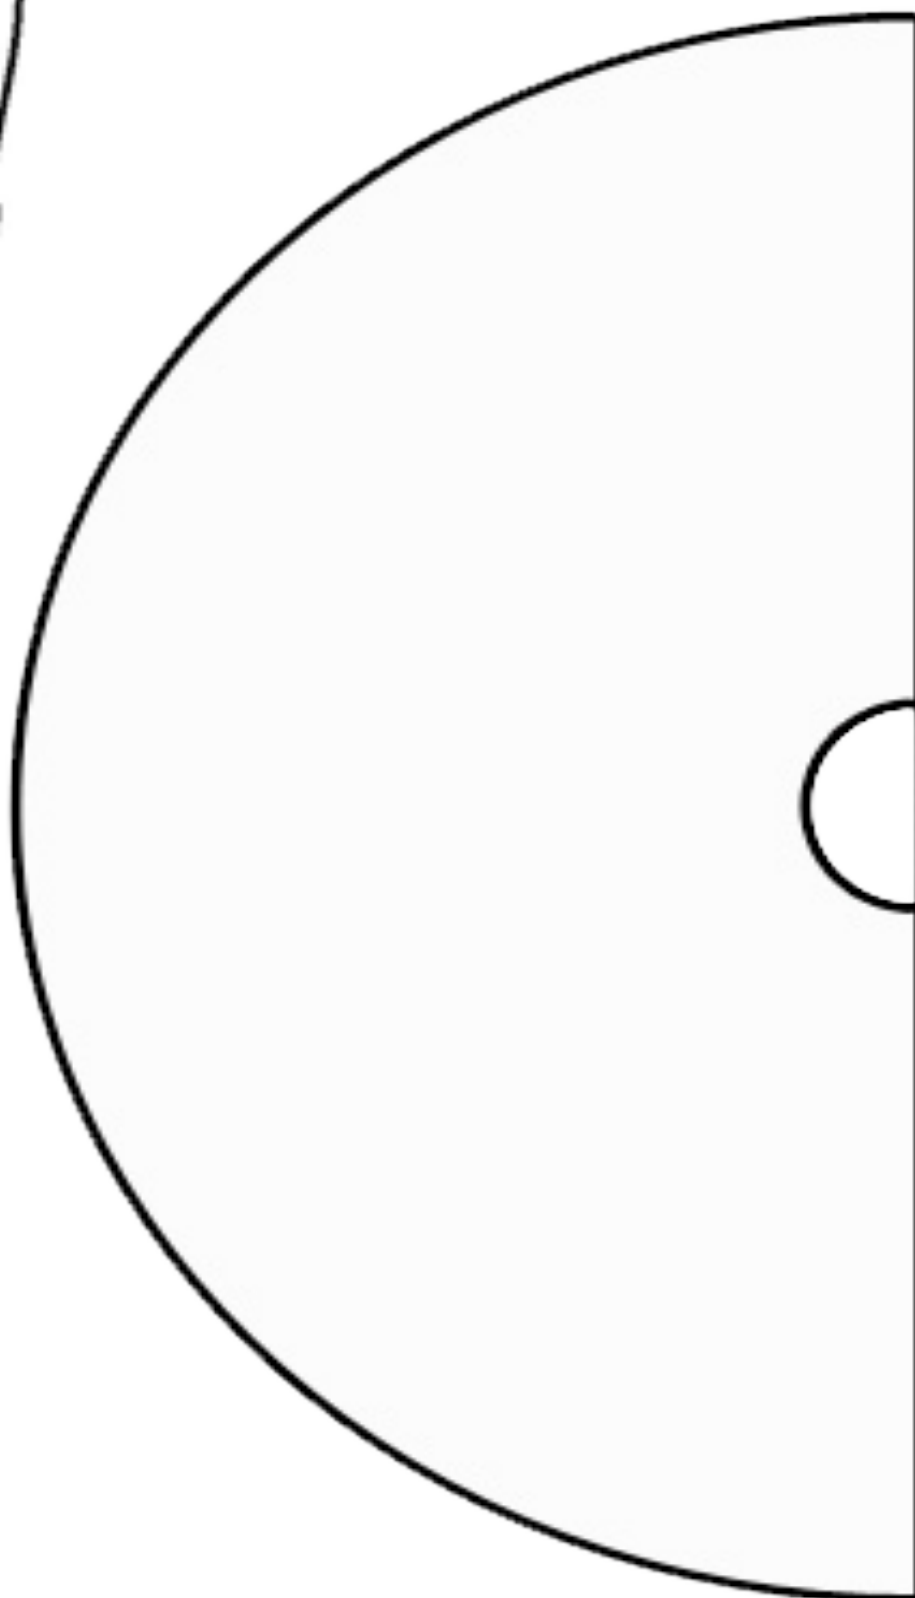

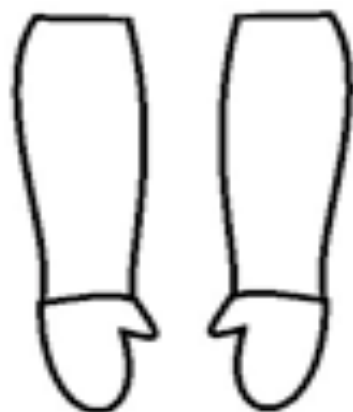

It's time to create your Angel

- Step 1:** Print Angel template below on white card stock. Cut out the arms and body.
- Step 2:** Trace your hands, with the palms touching, to create the wings. Cut them out.
- Step 3:** Glue the flat edges of the body to create a cone shape.
- Step 4:** Glue the arms to the body. (You can position them in the back or front.)
- Step 5:** Glue the wings to the seam of the body.
- Step 6:** Glue the eyes to the pom-pom.
- Step 8:** Optional: Use the red pipe cleaner for the mouth and glue it on - or, - with the marker, draw a mouth. Draw a nose.
- Step 7:** For a halo, make a circle with the gold pipe cleaner, twisting the ends together. Glue it to the top of the pom-pom head.
- Step 10:** Glue the pom-pom head to the top of the body.
