(we used Avery T-shirt transfers for inkjet printers)
7. The [Baby Signing Time PDF](#)

^1. Cut the lid off your pizza box so you have a square. Next, cut your felt to cover the front of your cardboard. Fold the extra felt around the back of the board and hot glue tightly into place.

Complete the process >2. on all four edges.

^3. Follow the directions of your iron-on fabric transfer paper. Print the PDFs on the transfer paper. Iron the printed paper onto your white felt sheets. Let cool. Peel the paper off the back and cut out your characters.

<4. Now you have a fun felt board for your little ones to play with while they watch and learn with
