

Hand-y Scarecrows

Materials Needed:

- Printed templates – see next pages
- Glue
- Scissors
- Pencil
- Crayons
- Yellow construction paper – 2 pieces

Optional construction paper:

- Brown - for hat and shoes
- Orange - for head
- Blue - for overalls
- Red - for shirt

It's time to create your scarecrow!

Step 1 – Trace hands (with fingers close together) on 2 pieces of yellow construction paper. Trace and cut out 2 right and 2 left hands for a total of 4 hands.

Step 2 – Cut out printed templates. Optional: Trace templates onto colored construction paper – see above.

Step 3 – Color and decorate template pieces, or if using the orange paper, draw a face on the orange head.

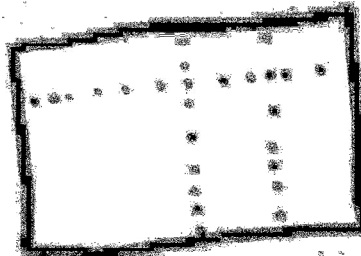

Step 4 – Glue one a set of hands together with fingers down for long hair or fingers out for short hair – see image above.

Step 5 – Put your scarecrow together! Glue the:

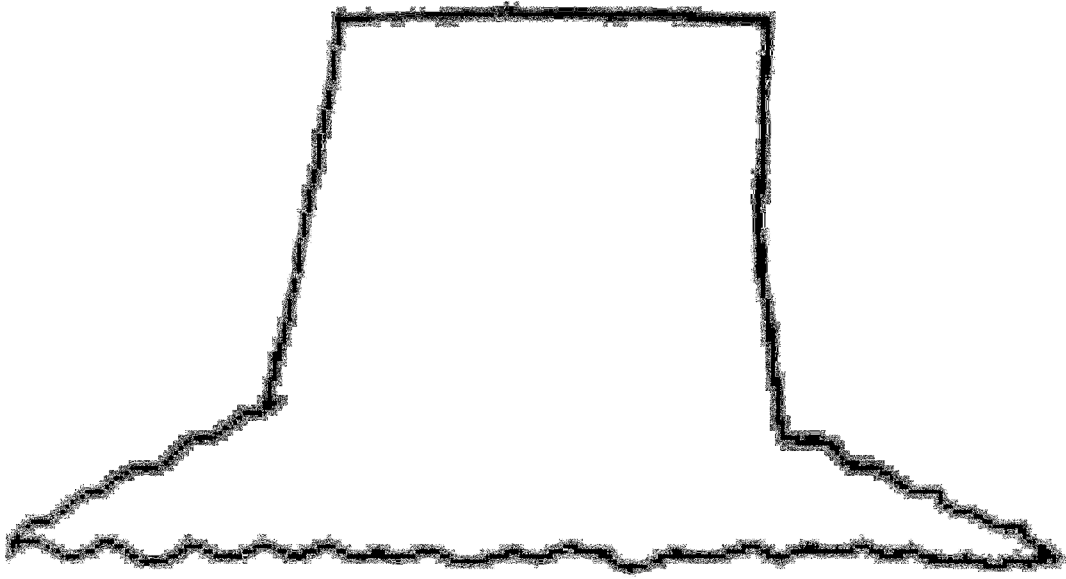

- head on top of the hair
- hat on top of the head
- overalls to the shirt
- head to the shirt and overalls
- hands to the shirt
- shoes to the overalls
