

Potty Time

It's Potty Time
It's Potty Time
Listen to your body
When it's time to go potty
It's Potty Time
It's Potty Time
Every day you're growing
And all the signs are showing
It's Potty time
You can do it
Just stick to it
You're gonna get through it just fine
Come on it's Potty Time
It's Potty Time
It's Potty Time

Look At You Grow

Look at you grow
It's fast and slow
Look at you grow
From head to toe
Look at you grow
I think you know
I love you so
Look at you grow

Look at you grow
You catch and throw
Look at you grow
I can't say no
Look at you grow
I think you know
I love you so
Look at you grow

Take your time
You're doing fine
I'm here to help
And I don't mind
It's different and
It's magical
Change is good

Look at you grow
You're a one kid show
Look at you grow
You go, go, go
Look at you grow
I think you know
I love you so
Look at you grow

Take your time
You're doing fine
I'm here to help
And I don't mind
It's different and
It's wonderful
Change is good

Look at you grow
Look at you grow
Look at you grow
Look at you grow

Potty, Wipe, Flush, Wash

Potty, Wipe, Flush, Wash
Potty, Wipe, Flush, Wash

When you need to go potty
Show Mom and Dad
Sign potty and do the potty dance

Potty, Wipe, Flush, Wash,

When you need to go potty
Show Mom and Dad
Sign potty and do the potty dance

Potty, Wipe, Flush, Wash,

Go potty 'til you know you're through
Wipe! Wipe! Wipe! Mom or Dad can help you
Flush and watch it disappear
Wash your hands with Soap
Wash your hands with Soap and give a Cheer!

Potty, Wipe, Flush, Wash,
Potty, Wipe, Flush, Wash,

When you need to go potty
Show Mom and Dad
Sign potty and do the potty dance

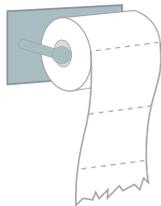

Potty, Wipe, Flush, Wash,

When you need to go potty
Show Mom and Dad
Sign potty and do the potty dance

Potty, Wipe, Flush, Wash,

Go potty 'til you know you're through
Wipe! Wipe! Wipe! Mom or Dad can help you
Flush and watch it disappear
Wash your hands with Soap
Wash your hands with Soap and give a Cheer!

Go potty 'til you know you're through
Wipe! Wipe! Wipe! Mom or Dad can help you
Flush and watch it disappear
Wash your hands with Soap
Wash your hands with Soap and give a Cheer!

I Wash My Hands

I wash my hands before I eat
I wash my hands to get them clean
And after touching sticky things
I wash my hands

I wash my hands, wash every day
'Cause washing keeps the germs away
And after finger painting play
I wash my hands

Wash, wash
Scrub, scrub
I use soap and water?
Wash, wash
Scrub, scrub
Do you use soap and water?

Wash, wash
Scrub, scrub
I use soap and water?
Wash, wash
Scrub, scrub
Do you use soap and water?

I wash my hands sometimes for fun
I wash my hands when I'm all done
And after all my friends have gone
I wash my hands

I wash my hands
I wash my hands
I wash my hands

Stop & Go

If you're rolling down a hill
If you're playing with your toys
When you're running in the grass
If you're girls or if you're boys
Stop what you're doing
Stop what you're doing
Stop what you're doing
Stop and go
Stop and go
Stop and go
Stop what you're doing
Stop and go
When you're swimming in the pool
If you're standing on your head
When you're riding in a car
When you're sleeping in your bed
Stop what you're doing
Stop what you're doing
Stop what you're doing
Stop and go
Stop and go
Stop and go

Stop what you're doing
Stop and go
When you're playing with a
friend
When you're jumping up and
down
When you're shopping in a store
If you're walking 'round the town
Stop what you're doing
Stop what you're doing
Stop what you're doing
Stop and go
Stop and go
Stop and go
Stop what you're doing
Stop and go

Uh Oh, It's an Accident

The only way to learn is to try try try
But accidents can make you cry, cry, cry
Accidents are just part of life
They teach us to be more careful next time

When you bonk your head
or when you wet the bed
Uh oh, it's an accident
When you fall off a chair
or go potty in your underwear
Uh oh, it's an accident

Learning new things makes you shine, shine, shine
Even when it takes a little time, time, time
Accidents are just part of life
They teach us to be more careful next time

When you bonk your head
or when you wet the bed
Uh oh, it's an accident
When you fall off a chair
or go potty in your underwear
Uh oh, it's an accident

Mom and Dad can do so many things
But even Mom & Dad used to be babies
Using the potty is just part of life
Soon you will do it right every time!

When you bonk your head
or when you wet the bed
Uh oh, it's an accident
When you fall off a chair
or go potty in your underwear
Uh oh, it's an accident

When you bonk your head
or when you wet the bed
Uh oh, it's an accident
When you fall off a chair
or go potty in your underwear
Uh oh, it's an accident

Uh oh, it's an accident
Uh oh, it's an accident

Celebrate

I knew you could do it
I knew all along

I knew you'd get through it
So I wrote you this song!
You are the best
I've never been so proud
I knew you were great
It's time to celebrate!

Let's celebrate
Let's clap our hands
Let's celebrate
I'm your biggest fan!
Let's celebrate
Let's run around
Let's celebrate
Jumping up and down

I knew you could do it
I knew all along
Ya, I knew you'd get through it
So I wrote you this song!
You are the best
I've never been so proud
I knew you were great
It's time to celebrate!

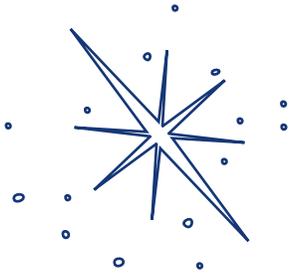

Let's celebrate
Let's clap our hands
Let's celebrate
I'm your biggest fan!
Let's celebrate
Let's run around
Let's celebrate
Jumping up and down

Let's celebrate
Let's clap our hands
Let's celebrate
I'm your biggest fan!
Let's celebrate
Let's run around
Let's celebrate
Jumping up and down

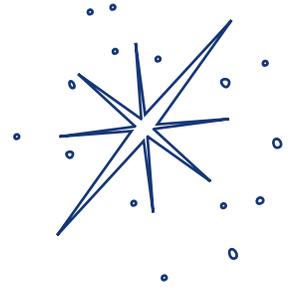

Clap your hands
Clap your hands
Everybody celebrate
Clap your hands
Clap your hands
Everybody celebrate

You Are My Shining Star

Twinkle, twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle little star
How I wonder what you are

You are my shining star
You are my shining star
And I know who you are
You are my shining star

You are amazing
Remarkable
Stupendous
Sensational
I've always believed in you
You are my shining star

Twinkle, twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle little star
I know who you are
