I Wonder

I wonder
Do you wonder?
It all begins with wonder
With a question on your mind
You will find the world is wonderful

I wonder
Do you wonder?
The world is full of wonder
Every day is a surprise
You and I will find the wonderful

I wonder how a human body
Can sit and stand and jump and turn around
I wonder about breathing
And what do I feel beating?
I know I use my senses, but how?

I wonder
Do you wonder?
It all begins with wonder
With a question on your mind
You will find the world is wonderful
With a question on your mind
You will find the world is wonderful

Humans are Incredible

Humans are incredible, they sure are incredible. Humans are incredible!
Humans are incredible, they sure are incredible. Humans are incredible!

Human beings live in homes anywhere, really
They live in the forest, they built every city
Human beings live in homes everywhere, really
They live in the desert, they live where it's freezing!

Humans are incredible, they sure are incredible. Humans are incredible!
Humans are incredible, they sure are incredible. Humans are incredible!

Humans use touch to feel and show their affection
They all look so different, their faces show expression
Humans use touch to feel and use their five senses
See, hear, taste, smell, touch – it's quite a collection!

A human baby's born
Grown-ups take care of her
Until she learns to care for herself
She'll crawl until she walks, she'll cry, then sign, then talk
It's amazing when you know how a human child grows!
(Look how much you've grown!)

Humans are incredible, they sure are incredible
Humans are incredible!
Humans are incredible, they sure are incredible
Humans are incredible!
Incredible!

It's My Body

Shoulders, shoulders
Elbows, elbows
Hands!

It's my body, my body, it's my body
Dance and shake and move!
It's my body, my body, it's my body
Dance and shake and move!

Hips, hips
Knees, knees
Feet!

It's my body, my body, it's my body
Dance and shake and move!

It's my body (everybody), my body, (we're amazing)
It's my body (move your body)
Dance and shake and move

It's my body (everybody), my body, (we're amazing)
It's my body (move your body)
Dance and shake and move

It's my body (everybody), my body, (we're amazing)
It's my body (move your body)
Dance and shake and move
Yeah!

Simon Says

Simon says, Simon says
When Simons says do it
We do what Simon says!

Simon says jump up and down, up and down, up and down
Simon says jump up and down
Simon says

Simon says spin around, spin around, spin around
Simon says spin around
Simon says!

Tomas says fly around, fly around, fly around
Come on, fly around everybody
Oh no!

Simon says, Simon says
When Simons says do it
We do what Simon says!

Simon says sit down, sit down, sit down
Simon says sit down - Simon says

Simon says dance around, dance around, dance around
Simon says dance around
Simon says

Now swing on a vine. Come on, woo hoo!

Simon says, Simon says
When Simons says do it
When Simons says do it
When Simons says do it
We do what Simon says!

Five Senses

One, two, three, four, five senses
Five senses, five senses
One, two, three, four, five senses
Five senses!

One, two, three, four, five senses
Five senses, five senses
One, two, three, four, five senses
Five senses!

I have my eyes to see, my ears to hear
I have my nose to smell, my mouth to taste
And my hands to touch

See! Hear! Smell! Taste! Touch!

One, two, three, four, five senses
Five senses, five senses
One, two, three, four, five senses
Five senses!

I have my eyes to see, my ears to hear
I have my nose to smell, my mouth to taste
And my hands to touch

See! Hear! Smell! Taste! Touch!

My Amazing Body

My brain helps me talk and think: think, think, think, think
My heart pumps blood: thump, thump, thump
I have two lungs that help me breath: hah, hah
Brain, heart, lungs - hah
My amazing body!

I can jump, run, spin, dance, have fun
All because of my amazing body
I can laugh, cry, hug, kiss – oh my!
All because of my amazing body

My stomach makes me energy: yum, yum, yum, yum
My bones keep me up: *click, click, click, click*
My muscles help me move and play: he-haw, he-haw
Stomach, bones, muscles - haw
My amazing body!

I can jump, run, spin, dance, have fun
All because of my amazing body
I can laugh, cry, hug, kiss – oh my!
All because of my amazing body

I can jump, run, spin, dance, have fun
All because of my amazing body
I can laugh, cry, hug, kiss – oh my!
All because of my amazing body

I can jump, run, spin, dance, have fun
All because of my amazing body
I can laugh, cry, hug, kiss – oh my!
All because of my amazing body
My amazing body
My amazing body
My amazing body!
