I Wonder

I wonder
Do you wonder?
It all begins with wonder
With a question on your mind
You will find the world is wonderful

I wonder
Do you wonder?
The world is full of wonder
Every day is a surprise
You and I will find the wonderful

I wonder how the weather changes
I wonder how the rain comes from a cloud
I wonder about the lighting
And why it is so frightening
I wonder what makes thunder so loud

I wonder
Do you wonder?
It all begins with wonder
With a question on your mind
You will find the world is wonderful
With a question on your mind
You will find the world is wonderful

The Weather Song

Whether or not you like it
Weather has a say in how you're going to dress
And where you're going to play today
Whether or not you like it
Weather will decide where you'd like to live
And how you play outside

What is weather?

The temperature is how hot or cold it feels outside
Weather's all about the things up in the sky
Like clouds and wind ooo let's stay in
And things that fall like rain or snow and sleet and hail and oh no

Whether or not you like it
Weather has a say in how you're going to dress
And where you're going to play today
Whether or not you like it
Weather will decide where you'd like to live
And how you play outside

What does weather have to do with getting dressed?

The weather guides decisions you make everyday
Like what you're going to wear and where you're going to play
A swimming day, oops, not today
I need my coat and gloves and socks and boots and scarf and hat
Oops, not like that!

Whether or not you like it
Weather has a say in how you're going to dress
And where you're going to play today
Whether or not you like it
Weather will decide where you'd like to live
And how you play outside
Where you'd like to live
And how you play outside

What Makes a Cloud?

Tiny, tiny, tiny bits of ice
Floating, floating, floating all around
When they come to together they all hold on tight
Hold each other tightly and they make a cloud

Tiny, tiny, tiny bits of ice
Floating, floating, floating all around
When they come to together they all hold on tight
Hold each other tightly and they make a cloud

It rains when too much water's in a cloud
The water gets too heavy and falls down

It rains when too much water's in a cloud
The water gets too heavy and falls down

Tiny, tiny, tiny bits of ice
Floating, floating all around
When they come together they all hold on tight
Hold each other tightly and they make a cloud

Rachel & the TreeSchoolers

Lightning and Thunder

Electricity gathers in a cloud
When frozen rain and bits of ice are bumping all around
Electricity leaping toward the ground
Lightning is the flash of light
Thunder is its sound

What is thunder?

Thunder is the sound that lightning makes
Lightning leaves the cloud headed for the ground
Pushing air around making booming sounds

Thunder is the sound that lightning makes
Lightning leaves the cloud headed for the ground
Pushing air around making booming sounds

Boom, crash, crack, snap

Boom, crash, crack, snap

Thunder is the sound

Boom, crash, crack, snap

Boom, crash, crack, snap

Thunder is the sound

Electricity leaping toward the ground
Lightning is the flash of light
Thunder is its sound

Itsy Bitsy Spider / Never Give Up

The Itsy Bitsy Spider climbed up the water spout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the Itsy Bitsy Spider climbed up the spout again

Never give up (*sing four times*)

The Itsy Bitsy Spider climbed up the water spout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the Itsy Bitsy Spider climbed up the spout again

Never give up (*sing eight times*)

The Itsy Bitsy Spider climbed up the water spout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the Itsy Bitsy Spider climbed up the spout again

Never give up (*repeat until the end of the song*)

Rhyming Time

*Take it from the birds
Listen to the words
Take the time to notice words
That rhyme, rhyme, rhyme
(clapping) Thank you, thank you,
thank you so much*

It's time to rhyme
It's rhyming time
Words that end the same
Oh that's my favorite game
Oh I'm so glad you came

It's time to rhyme
It's rhyming time
Rhymes are all around you
Rhyming words surround you
I'm so glad I found you

*Oh, I have one
I also have one, ladies first*

We have fun in the sun
Fun, sun, fun, sun
We have fun in the sun
It's a rhyme, it's a rhyme,
it's a rhyme

OK, we'll do mine

The thundercloud is so loud
Cloud, loud, cloud, loud
The thundercloud is so loud
It's a rhyme, it's a rhyme,
it's a rhyme

It's time to rhyme
It's rhyming time
Rhymes are all around you
Rhyming words surround you
I'm so glad I found you

Fun in the sun
The thundercloud is so loud
The sky isn't dry
Making boom in my room
It's a rhyme, it's a rhyme,
it's a rhyme

Share It

Yes you've wondered,
you kept on asking
You kept on asking 'til you understood
And now that you know the answer
There's just one more thing
you have to do

Go share it with a friend
Share it with a friend
Share it with a friend
Yes anyone will do

Go share it with a friend
Share it with a friend
When you share it with a friend
It becomes a part of you

You can share it with your hamster
Your sister or a dog
You can share it with your monkey
Your brother or a frog

Go share it with a friend

When you share it with a friend
It becomes a part of you

You can share it with a grown up
A baby or a shoe
You can share it with a neighbor
A bird or bee or newt
