

## Hand-y Craft Homework Folders

Take your homework home in style in folders created by YOU. Enjoy creating a tree, a butterfly or whatever you can imagine by painting with your fingers and hands.

### Materials Needed:

- Folder with pockets
- Paints
- Plate or a pan for the paint

### Time to Create at Tree Folder!

**Step 1** – Dip your hands in the paint. Using your left hand, spread the paint down your right forearm.

**Step 2** – Place the right hand and arm on to the folder to create the tree trunk.

**Step 3** – Place the left hand on the folder, overlapping the right hand print.

**Step 4** – Finger paint any additional branches and leaves to finish the tree.

**Step 5** – Allow to dry completely.

### Time to Create a Butterfly Folder!

**Step 1** – Dip your hands in the paint.

**Step 2** – Spread out fingers and thumb on your right hand and place down on the folder.

**Step 3** – Spread out fingers and thumb on your right hand and place down on the folder with the palm next to the palm of the right hand.

**Step 4** – Select another color of paint and use your finger to draw the body where your palms meet on the folder.

**Step 5** – Finish by finger painting a face on your butterfly.

**Step 6** – Allow to dry completely.

### Time to create your own design!

**Step 1** – Dip your finger in the paint and draw.

**Step 2** – Allow to dry completely.
