

Hand-y Craft Bald Eagle

Materials Needed:

- 1-2 sheets of black or brown construction paper
- 1 sheet of blue construction paper
- pencil
- glue stick
- crayons
- scissors
- printer and white 8.5 x 11 inch paper

Time to create your bald eagle!

Step 1 – Print out the template below.

Step 2 – Color the beak, eye, and feet.

Step 3 – Trace one hand with the thumb close to the fingers on the white paper that you printed the template on.

Step 4 – Cut out the body and trace it on the black/brown construction paper.

Step 5 – Trace the left and right hand on the black/brown construction paper.

Step 6 – Cut out the head, body, feet, and hands.

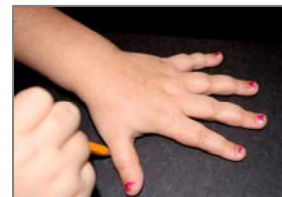

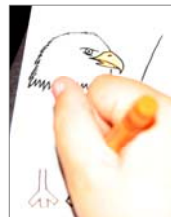

Step 7 – Glue the black/brown hands so palms overlap slightly at the middle of the blue construction paper, thumbs pointed down.

Step 8 – Glue the white hand centered over the palms of the black/brown hands, fingertips pointing down.

Step 9 – Glue the feet an inch apart at the base of the fingers on the white hand.

Step 10 – Glue the body so it slightly covers the feet.

Step 11 – Glue the head so it slightly overlaps the top of the body.
