

Christmas Tree Hand-y Craft

Fond memories are created while decorating the Christmas tree each year. Now you can create a Christmas tree with your hands. You can do this project as a family and trace everyone's hands for the branches

Materials Needed:

- ❖ 2-4 Sheets of green construction or scrapbook paper.
- ❖ Craft rhinestones and/or jewels
- ❖ Glue
- ❖ Pencil
- ❖ Scissors

Time to Create!

Step 1: Trace 5 pairs of hands (10 individual hands)

Step 2: Cut out hands

Step 3: Glue the hands together at the top to form a pyramid with the fingertips left loose. (If you are doing it as a family use the largest hands on the bottom and smallest at the top)

Step 4: Curl the fingertips upward towards the palms.

Step 5: Glue jewels on to decorate.
