

Hand-y Easter Rabbits

Materials Needed:

- 1-2 pieces white construction paper
- 1 piece pink construction paper
- 2 craft eyes
- 1 cotton ball
- glue
- pencil
- scissors

It's time to create your rabbits!

Step 1 – Trace one hand with thumb and fingers close together to create the body on white construction paper. Cut out.

Step 2 – Trace the other hand with the pinky and ring finger close together and with the middle finger, pointer finger and thumb close together to create the head and ears on white construction paper. Cut out.

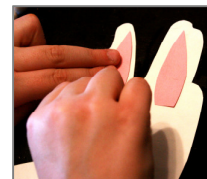

Step 3 – On white construction paper cut out 2 feet - see template on next page.

Step 4 – On pink construction paper cut out 2 inner ears- see template on next page.

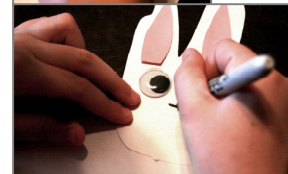

Step 5 – Glue back foot to the pinky of the body piece. Glue the front foot 1-2 inches in front of the back foot.

Step 6 – Glue the cotton ball to the middle finger on the body piece to create the tail.

Step 7 – Glue other hand to the body just over the front foot.

Step 8 – Glue the inner ears on to the fingers.

Step 9 – Glue the craft eyes slightly under the inner ears.

Step 10 – Draw the nose and mouth.
