

Handy Summer Scrapbook

Have fun preserving a little bit about yourself and how you spent your summer.

Materials Needed:

- 6 or more pieces of card stock
- Washable Tempera Paint
- Printer
- Personal Picture & Memories

Time to Create:

Step 1: Print out the scrapbook pages.

Step 2: Take the first sheet and write your name and year on the bottom of the sheet (by Hopkins).

Step 3: Place paint on a plate and dip one hand at a time into the paint.

Step 4: Place painted hand on the paper to create your scrapbook cover.

Step 5: Repeat step 4 with your other hand.

Step 6: Add personal pictures and memories to each of the pages.

Step 7: To finish of scrapbook, stack all of the pages on top of one another and staple them together. You can also insert each page in a sheet protector and place in a 3 ring binder.
