

Handy Candy Jar

It is fun to share your favorite foods with family and friends.
Now you can share them in a container created with your two little hands.

Materials Need:

- Plastic or glass container with a lid
- Paint
- Paint brushes
- Your favorite snack (popcorn, pretzels or candy)

Time to Create!

Step 1:

Apply paint to the container by finger painting or paint with a paint brush. You can even paint your hands and place them on the jar. Have fun creating!

Step 2:

Set container aside to dry for about an hour.

Step 3:

Fill the container with your favorite treat.
