## I Wonder

I wonder  
Do you wonder?  
It all begins with wonder  
With a question on your mind  
You will find the world is wonderful

I wonder  
Do you wonder?  
The world is full of wonder  
Every day is a surprise  
You and I will find the wonderful

I wonder, how are animals different?  
I wonder where these different animals live  
I wonder about feeding  
What are animals eating?  
I wonder if they're small or if they're big

I wonder  
Do you wonder?  
It all begins with wonder  
With a question on your mind  
You will find the world is wonderful  
With a question on your mind  
You will find the world is wonderful

## What is an Animal

Animals come in all shapes and sizes  
Animals are tiny, animals are big  
Animals are short, animals are long  
A bird is an animal  
A spider is an animal  
You can play like animals, too  
It's true!

A rabbit is an animal  
A dog is an animal  
We can play like animals, too  
It's true!  
Woohoo, ooo, woohoo, oo  
It's true!

Animals can make even more animals  
They start as babies  
They grow up soon  
Animals hatch, animals are born  
A duck is an animal  
A cat is an animal  
You can play like animals, too  
It's true!

A hedgehog is an animal  
A lizard is an animal  
We can play like animals, too  
It's true!  
Woohoo, ooo, woohoo, oo  
It's true!

What is an animal?  
What is an animal?  
Insects, spiders, birds, and fish

What is an animal?  
What is an animal?  
Amphibians, reptiles  
And mammals make the list  
Woohoo, ooo, woohoo, oo  
It's true!

Animals have a way to get around  
Animals walk, run, or jump to move  
Animals swim, animals fly  
A kangaroo's an animal  
An emu is an animal  
You can play like animals, too  
It's true

A camel is an animal  
A goat is an animal  
We can play like animals, too  
It's true! Woohoo, ooo, woohoo, oo  
It's true!

What is an animal?  
What is an animal?  
Animals eat and breathe and move  
What is an animal?  
What is an animal?  
You can play like you're an animal  
It's true  
I can choose a favorite animal, too

What is an animal?  
What is an animal?  
Animals eat and breathe and move  
What is an animal?  
What is an animal?  
You can play like you're an animal  
It's true  
I can choose a favorite animal, too

Woohoo, ooo, woohoo, oo, it's true!  
Woohoo, ooo, woohoo, oo, it's true!

## Five Little Monkeys

Five little monkeys jumping on the bed  
One fell off and bumped his head  
Momma called the doctor and the doctor said  
No more monkeys jumping on the bed!  
(No jumping on the bed)

Four little monkeys jumping on the bed  
One fell off and bumped his head  
Momma called the doctor and the doctor said  
No more monkeys jumping on the bed!  
(No jumping on the bed)

Three little monkeys jumping on the bed  
One fell off and bumped his head  
Momma called the doctor and the doctor said  
No more monkeys jumping on the bed!

No little monkey  
No jumping on the bed  
That's what the doctor said  
No jumping on the bed

Two little monkeys jumping on the bed  
One fell off and bumped his head
